THANK YOU

The BLMS Graduating Class of 2010 would like to thank all who contributed to their bottle drive. \$470.00 was collected to help cover costs associated with graduation.

UPRIVER COMMUNITY

April 2010

Issue # 1

UPRIVER NEWSLETTER EDITORIAL

Welcome! It gives me great pleasure to introduce you to the first issue of the Upriver News. My name is Tina Beers and I've been working for the United Way, in this area, since December. My job is to coordinate community development within the Upriver region which covers the parishes of Weldford and Harcourt. Since December we have hosted three community development meetings, with members of this community, in Bass River, Targettville, and Clairville with our next meeting taking place at the Harcourt Legion on Monday, April 19 at 6:00. This newsletter is **one** of the results of those meetings.

Our hope for this newsletter is to bring the people of this community together with a common voice and celebrate all that we share in this fabulous region of ours. Upriver news is meant to inform and update members of our community on what is happening locally as well as showcase local businesses, youth, seniors, special events, and local history. We invite you to submit articles and letters to the editor with opinions and views of the happenings in our area and ideas on how we can develop locally along with your name and contact information and the submissions will be included in our monthly newsletter. This first issue will feature the Green Festival. We will continue to develop a database of skills, talents and expertise that exist in our community, see page 2!

Our region is rich in human and cultural resources, skilled crafts and trades people and many professionals. Let's recognise and support these resources. Boxes are being placed at Thompson's General Store and Harry's Variety in order that you may easily submit events and articles you wish to be published in this newsletter or you can send your information to me directly:

tinabeers@xplornet.com

In closing I want to thank the many people in our Upriver region who have given their support and patiently helped **me** discover the riches of our community.

Yours Respectfully,
 Tina Beers,
 785-4348 Harcourt, NB

Who we are and what we do!

The strength of our local community is the foundation on which we can build the future we want for ourselves, our neighbours, the Upriver Community and beyond.

In business, as well as in life, **communication is the key** and all media should assist us to achieve our local goals. The Upriver newsletter would like to feature a person or business from the Upriver Community in each of its issues – this could be you or someone you know!

We would also like to build a local directory of all the skills, talents and expertise that exists in our Upriver community so we can use and promote our businesses!

Whether you can offer guitar lessons, computer training, or a lift to Moncton, your skills are valuable to your local community - if they are known.

Send your information for the database or the feature articles to tinabeers@xplornet.com.

3rd Annual New Brunswick
GREEN FESTIVAL – 2010

A Growing Celebration of
Music, Community and
Ecology (Near Clairville,
Kent County, NB – 30
minutes north of Moncton)

This year's festival will again
promote the benefits of a

healthy lifestyle. With **over 100 live performers**, local food, local artisan's, sustainability information, community heritage exhibits, energy information, eco-education associations, camping, workshops, scarecrow competition, children's play area, face painting, guided walks, wishing trees, mushroom tours, treasure trails, **Unicorn rides**, and much more, this third Green Festival has something for everyone.

The festival grounds are gorgeous! Hundreds of acres of forest with hiking trails stretching out from a beautiful farm. Families are encouraged to bring a picnic and make a day of it.

We are offering vendor/exhibitor spaces Free of Charge for any Up River businesses & associations.

The event takes place between **Monday August 16th through to Sunday August 22nd** New ideas and suggestions always welcomed!!

UPRIVER CELEBRATION

Elma Campbell recently hosted St. Patrick's Day held at the Bass River Country Fair Hall. Over 40 seniors celebrated the event along with local musicians and a delicious pot luck lunch. The music was grand and fun was had by all.
