Harcourt Legion 50/50 POOL...There have been some changes made to the 50/50 pool at the Royal Canadian Legion Harcourt Br. #75. As of June 20th 2010 you can pay your pool for as many weeks as you wish. The cost is still \$1.00 but we only draw the pool on Sunday night at 7:00PM. Everyone who already has a pool number will keep their number, anyone who doesn't have a number can join; you can do so at the Legion from Friday night to Sunday, when the Legion is open. Once the pool reaches \$100.00, no new members can join until it has been won. The pool can be paid in advance for as many weeks as you wish to pay. You can also have someone else pay your pool for you. The pay out each week will be half of the money collected for that week. If not won, the money will be added to the following weeks Pool. All proceeds from the 50/50 pool will go towards the up keep of the Legion. The Pool is sponsored by the Ladies Aux of the Royal Canadian Legion Br #75. Your support is greatly appreciated. If you have any questions please phone Beatrice Leblanc at 775-6727.

UPRIVER NEWSLETTER

UPRIVER WEBSITE

Upriver-news.ca needs you!

Our new website www.upriver-news.ca was developed in May 2010 when our Upriver community decided that we needed an online presence and Armin Arends offered to create it. It is an extension of **Upriver News**, and **so much more**. The website and the newsletter are **volunteer** efforts by the people of our Upriver Community, so if you would like to become a part of this great endeavour, please join us! The website is about our community and it needs the contributions of our community. If you would like to announce an upcoming event, an ongoing event or make an announcement, then email us at events@upriver-news.ca. If you would like to feature your business, club or association, send us a profile. We need information, pictures, documents, historical information, old photographs and especially **time and skills**. We need editors and translators. Armin says it is very easy to learn to present the information provided to us on the website so if you would like to learn a **new skill** and help your community too, please contact Armin at admin@upriver-news.ca. **Let us know if you like what you see. Help make our community website a success!** June's issue of the Upriver newsletter listed some of the opportunities and ideas people in the Upriver have been sharing with me. If you would like to become involved in any of these activities please don't hesitate to contact me or the persons mentioned in the previous newsletter. The Upriver newsletters are archived on www.upriver-news.ca under the **welcome** heading. The implementation of many of these activities and ideas cannot happen without your involvement. Questions? Contact me, Tina Beers at tina.beers@upriver-news.ca or 785-4348.

UPRIVER BUSINESS

Thompson's General Store

Situated half-way between Harcourt and Elsipogtog on Rte. 116, you will find "Thompson's General Store". It is a little gem in the middle of the Weldford Parish. Thompson's General Store was incorporated 31 years ago and is

owned by Julie and Glen Thompson.

In this store you will find anything you need and most likely something you hadn't planned on but "just got to have" anyway. We sell groceries, hardware, paint, gas, diesel, propane, lottery tickets, plumbing supplies, large animal and pet foods, and a large compliment of lumber and building materials.

It is manned by knowledgeable staff that is more than happy to assist you and help you find what you need. It is the customers who have kept us going through thick and thin, all these years. We would like to take this opportunity to thank you-one and all-for your continued support. We welcome new arrivals to our area and are happy to orient them into the communities.

So, if you're driving on the 116 highway and you see the XTR sign, drop in and pay a visit. You'll be glad you did - and so will we.

UPRIVER BOOKMOBILE...SOUTH EAST is an exciting addition to the provincial concept of taking library service to rural communities. Bookmobiles now focus exclusively on library service to outlying rural communities that do not have their own libraries. It's a free service open to all New Brunswickers that offers a wide variety of fiction and non-fiction titles for all. You can also find a wide selection of DVD movies, magazines, comics and graphic novels, music CD's and audio books on the bookmobile. Race over to your community Bookmobile today to start your reading engine. For more info contact Marc Gathercole at bookmobile.southeast@gnb.ca Or call the York

Regional Library office at 506-453-5380. Or check out www.gnb.ca/publiclibraries for our summer schedule. See the Upriver calendar for July's schedule.

SUMMER READING CLUB...Every summer, New Brunswick's public libraries and bookmobiles offer a children's reading program called the **Summer Reading Club**. The goals of the club are to promote a love of books and reading and to encourage young people to visit and use their public libraries and bookmobiles. Youth who participate in the program will receive their own reading logbook to record the books they read during the summer, a bookmark, prizes and a certificate. This year's theme is "**See the World @ Your Library**" focusing on different countries and cultures around the world. For more info you can visit the Summer Reading webpage on the New Brunswick Public Library Service website at: <http://www.gnb.ca/0003/src2010/home.asp> or you can contact Marc Gathercole.

* A person in our area would like to see the Bookmobile South East make another stop in our Upriver area. He has suggested Thompson's General Store in Bass River. If you would use this service, a signup sheet has been placed at the store. If enough interest is shown, the stop could be added to the bookmobile route.

Open Letter - We, the Kent County Women's Liberal Commission would like to congratulate Premier Graham for being recognized for his visionary abilities. We are proud of his accomplishments and are excited to follow his path to the future; a future which includes a global economy and one in which we can be a participant under Premier Graham's leadership. He has focused on the economy, which has resulted in new companies investing in our province. Our cities and towns have seen growth, which translates to new construction, improved roads and diversified jobs.

There is no place like home, and New Brunswickers are returning to live, work, build and enjoy our beautiful province. Together, with Premier Graham we will forge ahead to keep our province growing and achieve economic prosperity. He has restored our sense of pride in ourselves; he's making decisions as a proud and conscientious New Brunswicker, wanting the very best for all of us. Look around people; there is nothing standing still. New Brunswick is on the move. Young people; we would encourage you to become interested and involved in New Brunswick politics. It is very exciting right now. Once again, "Congratulations Premier Shawn Graham". You are our hope for the future and you make us proud to "Be...in this place".

UPRIVER CELEBRATES

Heather Gautreau recently celebrated her 40th

birthday during a cottage weekend on the Dale Rd. Each person attending was asked to bring 40 of something as a present. Gifts ranged from 40 cans of Diet Pepsi to 40 candy

snakes. The real fun began when Heather opened a gift from her husband to find a four day trip to New York City which included her three cottage girl friends. The girls at Thompson's store have had a great laugh at us buying tickets to win a trip for four shopping in New York City. We got the trip, now if we could win the shopping money. Happy Birthday, again, Heather from your Summer Family. **Always remember the people who love you; when you need them, they are your family. Oprah.** "Submitted by Judy Gillcash"
