UPRIVER NEWSLETTER

UPRIVER SUMMERTIME

People in the Upriver area are passionate about their families and the ones they love so summer is a favourite time for relaxing, "spending time with your people" and enjoying the great outdoors. Luckily, we are fortunate to have many rivers and streams in our area, with the ocean just a short distance away, which provide the backdrop for many a great adventure. People who have moved away usually make a trip home in the summer to enjoy family gatherings and celebrate all that is good and don't forget the many cottagers and campers that travel back every summer who share the love of this beautiful land.

August is a time of festivals and gatherings, with a lot happening in our "neck of the woods", so take time to enjoy the Upriver hospitality. Read more about the Green Festival and how you can participate on page 2, visit the Gordie Campbell Music Festival for great music and don't forget the Harcourt Legion Picnic for tons of family fun. Most importantly, have a great August and enjoy our little piece of paradise!

UPRIVER BUSINESS

Down Home Lounge...isn't just a resto bar, it's a home. People from all around can enjoy a friendly drink, eat in or take out and great memories with friends, old and new. Danny Ryan, the owner and founder of Down Home Lounge for 17 years, is a great friend to everyone, making all who enter his resto bar, feel welcome. Dan is great with people, always making them feel comfortable, which is one of the reasons he started his business and after several

layout changes, has developed an atmosphere that he hopes pleases his patrons.

At Down Home you can enjoy yourself by dancing to live music or just sitting back, day or night and relaxing to the quiet yet up-beat atmosphere. On occasion local musicians drop in to play a tune or two. Some of the items included on Down Home's menu are hamburgers, fish platter, side orders of chicken wings, mozza sticks, etc. and quench your thirst with a refreshing alcoholic or non-alcoholic beverage. During the summer Mr. Ryan offers all sorts of delicious flavours of ice cream.

There is always something exciting happening over at Down Home, such as Music Night every Friday, and the **Music Festival** in August where musicians from all over come to jam out. Many events and parties also take place at Danny's. If you find yourself on route 116 driving to Rexton or Harcourt, stop by and say "Hi" to Danny Ryan and his staff.

UPRIVER ORGANIZES

A PUBLIC MEETING ON BOATING CONCERNS

All residents, cottagers and interested parties are invited to attend a public meeting at the Bass River Hall, Rte.116, Bass River on Saturday, August 7th, from 2 pm–3 pm to discuss safe boating on the Richibucto River. The traffic is increasing every year and safety concerns have become an issue. It has

now reached the point where some are afraid to go on the river on weekends, to boat or swim. The river must be a safe place for everyone to enjoy it. It has been suggested to consider a "No Wake" Zone between Brown's Yard and the Bass River which would greatly reduce the risk of an accident, as this is the most congested part of the river. Let's come together as a community to address the issue and find a solution. This is your playground and your opinion matters. Contact Edna Thompson-785-1888 for more information. **"ONE ACCIDENT IS ONE TOO MANY"**
