UPRIVER SUPPORTS STUDENTS

June 23rd was the date set for graduation ceremonies at Harcourt Elementary School. This year three young ladies **Brianna Wellman, Josie Daigle and Jamie Jacques** completed Grade 5 and will be moving on to Middle School in Rexton. To help them on their way the Harcourt Legion Branch #75 President Dean Scott and Comrade Stephen Hutchison presented gift certificates of \$100 to the graduates in recognition of this academic milestone. Comrade Hutchison commented that when he attended Harcourt School \$100 would have funded the entire school year.

Representing the Harcourt Volunteer Fire Department, Fire Chief Robert Bernard presented the girls with \$50 gift certificates and wishes for a fun filled summer. Fire Prevention Office Len Beck presented Principal Maurice Richard with \$150 for the Hot Lunch Program. This money was raised earlier at the Car wash put on by the Fire dept and the Elementary School students. Both the Legion and Fire Department plan to continue awarding bursaries to the Grade 5 graduates with the help of community supported events. Congratulations to all the students!

Your community is very proud of you!

Special Thank –You goes to Everett Beck for donating back his winnings from the 50/50 draw for the Harcourt Home and School Association. The funds will be put to great use for the kid's "Breakfast and Hot Lunch Program".

Thanks so much!

Past President Juanita Thompson
