

PUBLIC MEETING!!!

In a recent survey sent out in the Upriver news, almost 90% of respondents showed a desire to see a "buy local first" movement.

In an effort to "make something happen" ALL are invited to a public meeting held at

**THE BASS RIVER HALL
DECEMBER, 7TH AT 7:30**

The meeting objective will be to present and begin the process on a project to bring local products, businesses, and services together with a "buy local" campaign. These are some catch phrase suggestions so far:

"Try Local First"
Upriver community thanks you!

"REALLY RURAL"

"Buy Local First-It's Best"

"REACHING RURAL"

"Rural Rules"

"Buy Rural"
one neighbour to another

"Rural, REALLY..!"

Lets Make It Happen!

Rural Market

- Create potential for growth by drawing in outsiders!
- Fun environment with activities and entertainment
- Less traveling for goods and services
- Opportunity for locals to promote their products, business, or services
- Keep money within the community

Map

- A detailed map of all business and services offered in this area
- Immediate visual recognition
- Getting to know what our neighbours have to offer!
- Bring awareness to community assets

Come Show Your Support!!!

- Are you a local business or service that would benefit from this endeavor?
- Do you have a musical ability or other talent that could use this outlet for exposure?
- Maybe you have a hobby that could be turned into income, and this project might make that more viable?
- Are you a community member interested in knowing what is offered locally?
- If you have equipment or a skill that others might need, you could turn it into extra income?
- Come out & share your needs & interests, to provide possibilities for new ventures

Lets come together and make something happen!

Coming together is a beginning. Keeping together is progress. Working together is success! Henry Ford

If cancelled due to weather, it will be posted on the Upriver website www.upriver-news.ca
